

## COURSE INFORMATION

### Diploma of Clinical Hypnosis and Strategic Psychotherapy

National Code: 10450NAT

<b>Provider</b>	Epiphany Learning
<b>Delivery Mode</b>	The training is conducted in four-day blocks, once a month over six months. Students will be provided with learning materials for study and practice between each block of training. This learning will amount to around 90 hours of study between each block plus time for self-directed learning such as additional reading and research. Outside of this, trainers and assessors will provide support to students by email or telephone to assist with learning between each block.
<b>Course Duration</b>	Course extends over a 40 week period.
<b>Course Structure</b>	To complete the Diploma of Clinical Hypnosis and Strategic Psychotherapy, students must successfully complete all twelve (12) units of competency – this involves eighteen (18) assessments. A Statement of Attainment is to be issued for any unit of competency successfully completed if the full qualification is not completed. The Diploma of Clinical Hypnosis and Strategic Psychotherapy includes four (4) units of competency from the HLT07 Health Training Package and two (2) units from the HLT Health Training Package. These units have been included to reflect units of competency included in a range of complementary health qualifications currently included in the HLT07 Health Training Package.
<b>Pre-requisites</b>	None.
<b>Course Outcomes</b>	This course is intended to provide participants with a range of knowledge, and skills to perform the following functions associated with clinical hypnosis and strategic psychotherapy: <ul style="list-style-type: none"> <li>Provide therapy for a range of issues including smoking, anxiety disorders, weight loss, habits, pain and physical dysfunction.</li> </ul>

## Course Information – Diploma of Clinical Hypnosis and Strategic Psychotherapy (10450NAT)

<b>Training Arrangements</b>	<p>The training is conducted in four-day blocks, spaced out over approximately six months. Students will be provided with learning materials for study and practice between each block of training. This learning will amount to around 90 hours of study between each block plus time for self-directed learning such as additional reading and research. Outside of this, trainers and assessors will provide support to students by email or telephone to assist with learning between each block. Training materials that will be included in the delivery of the course include:</p> <ul style="list-style-type: none"> <li>• Relevant textbooks</li> <li>• Internally developed PowerPoint</li> <li>• Handouts</li> <li>• Access to online resources</li> <li>• Other textbooks</li> </ul>				
<b>Classes/ Workplace Visits/ Online Components</b>	<p>The course is split in to 4 subjects. Candidates can complete subjects consecutively or separately. Classes are typically four (4) day blocks running for seven (7) hours at a time. Without RPL, candidates are expected to attend classes. A minimum of 80% attendance is required to meet course requirements. There are no workplace visits because the vast majority of candidates will become self-employed in private practice. There are unsupervised hours of self-study with several online components.</p>				
<b>Additional Support</b>	<p>Individual candidates can request support either during class time, immediately before or after class or by email or telephone. The vast majority of the course is self-paced which tends to cover candidate needs.</p>				
<b>Assessment Arrangements</b>	<p>Assessments will occur through a variety of methods including observations, projects, case studies, and short answer questions.</p> <p><b>Some units have been clustered together for the purposes of assessment.</b></p> <p><b>Assessment Materials</b></p> <p>For each unit or topic, the following documents have been prepared:</p> <ul style="list-style-type: none"> <li>• Assessment Task Booklet.</li> <li>• Marking Guide and Guide to the Assessor.</li> </ul>				
<b>Placement Requirements</b>	Not applicable				
<b>Education Pathways</b>	<p>The Diploma of Clinical Hypnosis and Strategic Psychotherapy (10450NAT) contains nationally recognised units of competency. This offers pathways into the qualification for participants who already have gained these units through completion of a relevant qualification from the HLT07 Health Training Package or the HLT Health Training Package, as well as pathways into other relevant Advanced Diploma qualifications, such as those included in the HLT07 Health Training Package or into relevant higher education qualifications. No formal articulation and credit transfer arrangements have been negotiated with other RTO's or higher education institutes. In addition, pathways into the Diploma of Clinical Hypnosis and Strategic Psychotherapy may exist for those with vocational experience but no formal qualifications.</p>				
<b>Costs</b>	Course	Tuition Fee	Materials/ Administration Fees	Total	Payment Schedule (Limited)
	Diploma of Clinical Hypnosis & Strategic Psychotherapy	\$11,995	Included	\$11,995	<p>\$3,999 deposit plus, either</p> <p>i) SIX equal monthly instalments \$1,332.67</p> <p>ii) TEN equal monthly instalments \$799.60</p> <p>Except bank transfer fees.</p> <p>Upfront Costs available at a discount.</p>
<b>Entry Requirements and Selection Process</b>	<p>All applicants must demonstrate the level of maturity required to be responsible for the care and support of a range of clients seeking clinical hypnosis and strategic psychotherapy services. Candidates must also have reasonable language, literacy and numeracy skills.</p>
